

SMITH-COOPER[®]

INTERNATIONAL

SPECIAL ANNOUNCEMENT

Expansion of the Vancouver, WA Distribution Center

TO OUR VALUED CUSTOMERS:

August 27th, 2009

Keeping with our tradition of bringing the best combination of inventory, price and service in the industry, Smith-Cooper International is proud to announce the expansion of the product offering in our Vancouver, WA distribution center. The new items will be integrated into the Vancouver inventory over the coming weeks.

The new items include:

- **3000# Forged Steel Fittings – Threaded & Socket Weld – 1/2" – 4"**
- **Sch 80 Seamless Nipples – 1/2" – 4" Diameter**
- **Sharpe[®] - 800# Forged Steel Gate & Check Valves – Threaded & Socket Weld**
- **Sharpe[®] - Stainless Steel Ball Valves – 1/2" – 4"**
- **Sharpe[®] - Cast Steel Gate Valves – 2" – 12"**

Certified Mill Test Reports are available for all the above products.

The addition of the above products will provide our customers with the most comprehensive PVF offering in the Northwest. Combined with our industry leading Pro-Pak[™] packaging system, fill ratio and same day/next day service to all major municipalities in the Northwest, Smith-Cooper truly is your extended inventory.
